The Internet is now the king of all media consumption

Media investment not in line with shift in consumer behavior

Note: *Internet (excl. mobile) advertising reached \$30B in USA in 2011 per IAB, Mobile advertising reached \$1.6B per IAB. Print includes newspaper and magazine. \$20B opportunity calculated assuming Internet and Mobile ad spend share equal their respective time spent share. Source: Time spent and ad spend share data eMarketer, 12/11, Internet and mobile ad dollar spent amount per IAB.

Mobile is becoming just as prevalent as Desktop

Your marketing must be a MIX to win

Digital offers efficiencies in targeting and cost

We recognize that Offline still delivers benefits...

Reach

- **Effective media** to broadcast both brand and retail messages
- Reach **committed** and **loyal readers** and **viewers**
- A **trusted advertising form** with large reach and scale

Audience

- A defined **target audience** (Metro/Regional, Demos etc)
- Print is actively consumed, enabling you to tap into fully **engaged minds**
- TV allows you to target demographics in a **safe environment**

Context

- Multiple ad formats drive visibility & **impact** with consumers & channel partners
- **Category Placement** enables advertising in a **relevant, credible & safe environment**

Response

- Newspapers are a **'today' medium** and immediacy is ideal for driving a high level of response
- **Drive readers & viewers** directly **in-store**
- Also been proven to be an effective way to drive **website traffic**

Plus...

Short turnaround times & easy and standardised process for booking and placing ads

... but our Google Solutions will help you go further

REACH

Reach **90%** of the Online Population...

AUDIENCE

...connect with the **right audience** with our **proprietary targeting technology**...

CONTEXT

...have your ads shown against **relevant content** across 1000's of **premium and niche sites** ...

RESPONSE

...and **know what's working** every step of the way while **meeting your ROI goals**.
